INITIATIVE REQUIREMENTS

Application Offer: This initiative covers products purchased and installed on or after January 1, 2015. Details of this Initiative, including Rebate levels, are subject to change or cancellation without prior notice. This application form with required documentation must be received by December 31, 2015. VFD/VSD savings may not be claimed under any other program. Call (860) 823-4153 for additional information.

Completed and signed applications must be submitted within 60 days of the equipment purchase/installation to be eligible for Rebates.

Eligibility: Rebates are available to industrial, commercial, institutional and agricultural electric service customers of Norwich Public Utilities. Drives must be installed in the service territory of Norwich Public Utilities.
Please contact (860) 823-4153 for additional information.

Proof of Purchase: An invoice itemizing the purchased equipment must accompany each Rebate application form. **The invoice copy must indicate the drive type, size, make and model, serial number of the drive and date of purchase.**

Application Form: This application must be filled out completely, truthfully and accurately. An authorized representative of the customer must sign, date, and submit the application along with the invoice.

Payment: Please allow 30 days for payment. Payment process may take longer if information is missing on application. Call (860) 823-4153 for details. NPU reserves the right to provide rebate in the form of a credit adjustment on your electric account.

Approval and Verification: Pre-approval from Norwich Public Utilities will be required if the Rebate total is greater than $5,000. Norwich Public Utilities reserves the right to verify sales transactions and to inspect the motor installed under this program prior to issuing rebates, or at a later time, for monitoring and evaluation purposes.

Endorsement: Norwich Public Utilities does not endorse any particular manufacturer, product or system design in promoting this Initiative.

Tax Liability: Norwich Public Utilities will not be responsible for any tax liability that may be imposed on the customer as a result of the payment of Rebates.

Warranties: NORWICH PUBLIC UTILITIES DOES NOT WARRANT THE PERFORMANCE OF INSTALLED EQUIPMENT, EXPRESSLY OR IMPLICITY. Rotational speed differences between the premium and EPACT motors can affect savings or performance. Contact your contractor for details regarding equipment performance and warranties.

Limitations of Liability: The liability of Norwich Public Utilities is limited to paying the Rebate specified. Norwich Public Utilities is not liable for any consequential or incidental damages or for any damages in tort connected with or resulting from participation in this Initiative.

Assignment: The customer may assign the Rebate payment to a qualified contractor.

Owner's Certification: Owner certifies that he/she has purchased and installed the equipment listed above at the defined location. Owner agrees that all information is true and that he/she conformed to all Initiative and Eligibility requirements listed. Owner has verified that the motors listed above have been installed correctly.

ISO-NE Capacity Payments: By signing this document, and as a condition for receiving a Rebate pursuant to this program, customer hereby assigns to Norwich Public Utilities all of its rights, title and interest in and to any and all LICAP, ICAP, and any and all other capacity-related credits or payments for which customer may be eligible from ISO-NE or such value associated with the settlement of such LICAP, ICAP, or capacity payments as determined through the ISO-NE LICAP, ICAP, or other such like capacity supply auction or market (or its successors or replacements) for any capacity enrolled with ISO-NE.
